Changing your Name

- 2021-03-16 - My Binogi Account

1. As soon as you are logged in, click on the small gear in the top right corner to call up the settings:

2. In the menu that opens up, click on "Personal Information":

3. Now a field opens in which you can change your first and last name:

As soon as the changes are completed, click on "Save". That's it!

Note!

When you try to change your name, do you see the following message?

You are probably signed in to your Google account and can not change your name directly with us . To do this, change the name of your Google account and log in to Binogi again, your name will then be updated automatically.
